Joel and Ethan Coen make up one of the most original and unconventional movie-making partnerships to come out of America at the end of the 20th century. From their debut tour de force *Blood Simple* to the hugely acclaimed *The Man Who Wasn't There*, the brothers' films have attracted critical kudos and commercial success in equal measure due to their irreverent, individual and technically virtuoso nature. Each of their films defies categorisation, yet you're never in any doubt you're watching a Coen brothers movie.
