First, Do No Harm

Dr. L. Jan Eira

First, Do No Harm Dr. L. Jan Eira

Four people lie dead on the sterile floors of Newton Memorial Hospital. The shooter had been one of Dr. Jack Norris patients. The chief of fellows is perplexed at how the sixty-three-year-old heart patient would have a gun, and why he would shoot Jack's best friend, Dr. John Connor, then turn the gun upon himself. Teaming up with local detectives and one FBI agent, a complicated network of scientists and professionals emerge as culprits in a web of biological terrorism and greed. *First, Do No Harm* chronicles Jack Norris' attempt to diagnose a difficult heart disorder while simultaneously diagnosing Connor's murder.
