God's Upside Down Kingdom: Bible Studies from the Beatitudes of Christ (Wordmaster Bible Study Library) Terri Main

When Jesus began his public ministry, his first words are what we call today "The Beatitudes." Beatitudes simply means "blessed sayings." But The Beatitudes are more than just a set of sayings. They form a blueprint for us to find happiness. Yet, The Beatitudes are shocking. They seem backwards. They are definitely counter cultural. After all, who considers poverty of spirit, mourning, showing mercy, hungering after righteousness, making peace, seeking purity and enduring persecution as particularly happy things?

In this nine-lesson Bible study, we will explore how the Beatitudes can not only transform your life, but begin a transformation of the world around you. The Beatitudes, then, become not just something you memorized in Sunday School as a child, but as a pattern for Kingdom living. The Christian life is not just about following a set of rules. It's about transforming one's entire approach to life. The Beatitudes help us see the results of that transformation.

This Bible study is designed for use by both individuals and small Bible Study groups. It takes a discovery approach with each lesson containing a commentary followed by study or discussion questions.
