Gun Digest Book of Ruger Revolvers: The Definitive History Max Prasac

Every Man's Revolver

It's a youngster compared to Colt's and Smith & Wesson, but Sturm, Ruger & Company has left a mark on the world of firearms that's undeniable. Now, author Max Prasac shares how the firm's famed revolvers became stronger, more durable and safer than any of their competition in *Gun Digest Book of Ruger Revolvers*.

Inside you'll discover:

- The stories behind Ruger's fast-step to fame.
- Single-actions, double-actions, custom jobs and rare pieces.
- How Ruger's technologies changed the modern revolver.
- Plus much, much more!

Beautifully illustrated with hundreds of full-color photographs, Prasac and contributing author David Bradshaw provide a behind the scenes look at the men and the company producing some of the strongest guns on the planet, and the innovations that keep those firearms accessible to every gun owner who wants one. This truly is the story, as Prasac puts it, of "Every Man's Revolver."
