2015 is the 140th Anniversary of Birmingham City Football Club. To commemorate the occasion the club is planning a number of events at the end of the 2014-15 season. As part of those celebrations there is a new book - "The Leaders- Birmingham City" Blues historian and author, Keith Dixon has put together a history of the successful captains of Birmingham City Football Club from 1930 to 2014. Whilst it is not encyclopaedic it does record the success of The Blues within living memory, appearances in F.A. Cup Finals, Football League Cup Final victories and appearances, Wembley Final victories and successful promotion campaigns. Every captain who has brought success to St.Andrew's is acknowledged and the book includes match reports and illustrations for every game. With the Foreword written by the current captain Paul Robinson, it includes the results of in-depth interviews with most of the recent skippers.
