Collaborative Leadership: Developing Effective Partnerships for Communities and Schools

Collaborative Leadership: Developing Effective Partnerships for Communities and Schools

Build and maintain successful collaborative relationships in your school—and watch resources for student achievement soar!

With this updated bestseller, educators discover how to use collaboration to shape school culture and help their students learn. Visionary Hank Rubin provides a broad overview of collaboration in education and lays the foundation for working with colleagues, establishing strong partnerships, and cooperating with students to achieve goals. Filled with practical examples and the latest research, this resource examines 14 phases of collaboration and helps educators:

- Understand the skills and characteristics that foster successful collaboration
- Nurture relationships with students
- Build collaborative community relationships
