**A Lexi Carmichael Mystery (9 Book Series) Julie Moffett**

## **From Book 1:**

I'm Lexi Carmichael, geek extraordinaire. I spend my days stopping computer hackers at the National Security Agency. My nights? Those I spend avoiding my mother and eating cereal for dinner. Even though I work for a top-secret agency, I've never been in an exciting car chase, sipped a stirred (not shaken) martini, or shot a poison dart from an umbrella.

Until today, that is, when two gun-toting thugs popped up in my life and my best friend disappeared. So, I've enlisted the help of the Zimmerman twins--the reclusive architects of America's most sensitive electronic networks--to help me navigate a bewildering maze of leads to find her.

Along the way, my path collides with a sexy government agent and a rich, handsome lawyer, both of whom seem to have the hots for me. Hacking, espionage, sexy spy-men--it's a geek girl's dream come true. If it weren't for those gun-toting thugs...

112,000 words
