Ballroom of the Skies: A Novel John D. Macdonald

***Ballroom of the Skies*, a classic science fiction novel from John D. MacDonald, the beloved author of *Cape Fear* and the Travis McGee series, is now available as an eBook.**

Have you ever stopped to wonder why the world is eternally torn by war? Why men of goodwill, seeking only peace, are driven relentlessly to further disaster? In a future society, where India rules the globe and everyone chases the mighty rupee, the First Atomic War has just ended. Already the Second is clearly building. People shrug. War is man's nature, they think. And that's what newspaper reporter Dake Lorin thinks, too . . . until he becomes aware of the aliens living among us and discovers their sinister purpose—as well as the strange and monstrous explanation for humankind's seemingly limitless capacity for violence and destruction.

Features a new Introduction by Dean Koontz
