Jewish New Testament Commentary

David H. Stern

Jewish New Testament Commentary David H. Stern

Drawing on years of research, Dr. Stern relates the New Testament text to the Tanakh (Old Testament), to the historical setting, to rabbinic materials and Christian theology. He answers questions Jewish people have about Yeshua, the New Testament, and Christianity; questions Christians have about Judaism and the Jewish roots of their faith; and questions Messianic Jews have about being both Jewish and Messianic.
