## **Private Lives of Garden Birds** Calvin Simonds

Brimming with stories, wisdom, and expert knowledge, this delightful book gives enthusiasts a peek into the private worlds of eleven North American birds: swallows, blue jays, chickadees, song sparrows, house sparrows, phoebes, mockingbirds, crows, red-winged blackbirds, robins, and hummingbirds. Calvin Simonds shows you how to really observe these birds -- how to interpret the caws of crows, recognize blue jays from their facial markings, understand the flight patterns of swallows. You'll be enthralled as you eavesdrop on a group of sparrows trading songs in a "hootenanny," feel the dry grip of a chickadee's claws on your fingers, tramp through a summer meadow to visit a phoebe, and much more.
