There are a vast number of Christians in professional and management positions in corporate America who wish to lead as Christ intended. The Executive Calling describes how they can to reconcile their faith with corporate cultures in ways that can enable them to lead effectively and righteously. This book not only challenges current Christian leaders in corporations to discover God's calling for them in their jobs, but calls younger professional and college students to consider leadership careers in the corporate world. Roger Andersen, once vice president of PepsiCo, breaks new ground for anyone who is struggling with reconciling career success and obedient service to Jesus. In these ten expansive chapters—rich in sound, biblical wisdom, and mixed with Andersen's insights from thirty-years of experience—readers will discover why Christians can and are, indeed, called to excel in the corporate world. It examines Scriptural advice on the most important leadership qualities and successful management practices. Available at the end of the book is a comprehensive Christian Executive's Study Guide that is perfectly suited for further individual, small group, or devotional study.
