Trial of Intentions (Vault of Heaven Book 2) Peter Orullian

The gods who created this world have abandoned it. In their mercy, however, they chained the rogue god—and the monstrous creatures he created to plague mortalkind—in the vast and inhospitable wasteland of the Bourne. The magical Veil that contains them has protected humankind for millennia and the monsters are little more than tales told to frighten children. But the Veil has become weak and creatures of Nightmare have come through. To fight them, the races of men must form a great alliance to try and stop the creatures.

But there is dissent. One king won't answer the call, his pride blinding him even to the poison in his own court. Another would see Convocation fail for his own political advantage. And still others believe Convocation is not enough. Some turn to the talents of the Sheason, who can shape the very essence of the world to their will. But their order is divided, on the brink of collapse.

Tahn Junell remembers friends who despaired in a place left barren by war. One of the few who have actually faced the unspeakable horde in battle, Tahn sees something else at work and wonders about the nature of the creatures on the other side of the Veil. He chooses to go to a place of his youth, a place of science, daring to think he can find a way to prevent slaughter, prevent war. And his choices may reshape a world

The second title in the Vault of Heaven series, Peter Orullian's *Trial of Intentions* is a mesmerizing fantasy epic that turns the conventions of the genre on its head
