Against Authority: Freedom and the Rise of the Surveillance States John Twelve Hawks

In both his novels and in his 2005 essay, *How We Live Now*, John Twelve Hawks was one of the first authors to warn us about the growing power of surveillance technology. Now he has written a personal and controversial book that shows how our lives are watched and analyzed by governments and international corporations. In a world in which our actions can be monitored by a computerized grid of social control, is there anything we can do to defend our freedom?
