There were four of them: young women, dressed decorously in black, employed at an exclusive jewellery store in the 1960s. Close friendships were forged as Natasha, Prudence, Rachel and Maisie worked together under the benevolent rule of the two Markham brothers.

Now, in 1980, Natasha, newly divorced and back from America with a fifteen-year-old daughter, decides there must be a reunion. Pru, always the mysterious one, deeply involved with her commune in Cornwall, unexpectedly offers Prospect House, a property she has inherited in the Malvern hills where they may all forgather. Rachel, married to her former boss, a Liberal MP, gladly leaves a tangled domestic situation to join the friends she hasn't seen for so long. And Maisie ... Maisie, perhaps the most vulnerable of the four, mother of five children, married to the unpredictable Edward, fails to arrive at Prospect House. The drama of her disappearance has a far-reaching effect on the lives and destinies of them all.

Come Rain or Shine is a poignant and unforgettable story of the particularly close friendships that women enjoy - and of the complications that can arise when friends meet again after many years have passed.

#### John Yang:

As a student exactly feel bored to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring and also can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Come Rain Or Shine can make you truly feel more interested to read.
