Dialogue as a Collective Means of Design Conversation (v. 2)

Dialogue as a Collective Means of Design Conversation (v. 2)

This is the second volume to offer a cross-disciplinary approach to examining dialogue as a communicative medium. It explores different modes of conversation and the application of design conversation within and across various types of human experiences. Coverage examines design conversation from philosophical, cultural, spiritual, and historical perspectives. It also explores philosophical and theoretical perspectives as well as methodological ideas related to conversation.
