**Put your computer to the test with this insider's guide to getting the most out of distance learning.**

Join the millions of students already earning their degrees online with expert tips found in *Get Your Degree Online*.

Providing the best distance-learning programs available to date, *Get Your Degree Online* is much more than a directory: it explains the many ins and outs of attending a virtual classroom to help you succeed in realizing your education goals, from self-improvement, to certification, to earning a Bachelor's degree or an MBA. Authors Matthew and April Hel, provide a wealth of advice to choosing a program outside university walls that matches your interests and needs. They also include a valuable checklist of questions to determine which online programs are legitimate and which are simply fly-by-night scams devised to waste your precious time and tuition money.

Profiling more than 350 online programs, *Get Your Degree Online* provides students of all ages with key data on admissions criteria, technology requirements, financial aid opportunities, comparison charts, and cross-indices. *Get Your Degree Online* also teaches you how to:

- Find out if a program is accredited (and explains why accreditation is important)
- Get financial aid for your online education
- Use credit banks and transfer credits
- Collect material for a portfolio
- And much more!

As the demand for virtual classrooms continues to accelerate, so does the need for a top-notch guide to navigating through this fast-growing, and often perplexing, service. *Get Your Degree Online* is the only guide you need to make the most out of your distance learning experience.
