How Christians Should Relate to Government: A Zondervan Digital Short Wayne A. Grudem

Derived from theologian Wayne Grudem's *Politics—According to the Bible*, this digital short outlines five misguided approaches Christians take to politics and a way that is both more biblical and better for society. Grudem describes the five misguided approaches as follows:

- Government should compel religion
- Government should exclude religion
- All government is evil and demonic
- Do evangelism, not politics
- Do politics, not evangelism

In their place, Grudem argues for a view that he calls *significant Christian influence on government*. Provocative and compelling, *How Christians Should Relate to Government* will prod the thinking of politically minded Christians, regardless of which party they favor.
