## **Ruido (Spanish Edition)** Álvaro Bisama

Quizás pasó. En esta novela, la Virgen María se le aparece a un muchacho que aspira pegamento, y el fin del mundo se anuncia de modo intermitente. Todo su cede en un pueblo perdido entre los cerros, donde el único cine que existe solo programa películas de terror, mientras el aburrimiento estira hacia el infinito los días y las noches. Un narrador impreciso cuenta del martirio religioso del muchacho y sus milagros artificiales, pero que también vaga por los espacios íntimos en los que estos se deshacen, convirtiéndose en canciones e imágenes, acaso pesadillas. En Ruido, los despojos del pasado habitan en el presente, porque es un relato sobre el horror del tedio, pero también sobre la música del asombro. Una narración acerca de sectas y estigmas, y los tiempos muertos de la provincia, que avanza n sobre la piel de un vidente imposible y los stencils que lo recuerdan en muros de adobe. Un lugar en el que conviven la histeria religiosa y el pogo; la vida de unos ciudadanos que sirve de material para una literatura hecha de santos, fantasmas y monstruos.
