**Señas particulares (Spanish Edition)** Josefina Estrada

**OBRA GANADORA DEL PRIMER CONCURSO DE CRÓNICA SALVADOR NOVO, 2002**

¿Sabe quiénes van a la fosa común y por qué? ¿Sabe dónde está? ¿Conoce suficientemente el cuerpo de sus seres queridos como para identificarlos en caso de que fallecieran en circunstancias irregulares? ¿Tiene alguna idea de cómo proceden los médicos forenses, qué buscan y en qué se basan para emitir sus dictámenes? Poca gente se atreve a pensar qué sucede con los cadáveres de aquellos que mueren violenta o sospechosamente. Y menos entra en las salas forenses donde los médicos analizan y diseccionan restos humanos a fin de conocer las causas o condiciones del fallecimiento.

Josefina Estrada halló un mundo paralelo al de los Ministerios Públicos y hospitales; ahí trabajan policías y periodistas, investigadores y enterradores, técnicos y doctores especialistas en la más diversas ramas de la medicina forense. Todos ellos entran en acción cuando un ser humano muere en condiciones no claras, con violencia o por mano propia. Señas particulares nos lleva de la mano por los laberintos que se inician en la nota roja y que rara vez desembocan en un final feliz. No obstante, el lado positivo de esta experiencia radica en la súbita revaloración que hacemos de la vida, la familia y el amor después de volver a la superficie.
