McCOY TO THE RESCUE!

When the US Cavalry failed to liberate four young white women who were being held captive by a tribe of Indians in northern Utah, Spur McCoy was given the assignment. With the aid of Istas, a lovely halfbreed who had been rejected by her Mormon foster parents, Spur headed for the Ute camp, only to discover that the Indians were only part of the problem. He'd also have to deal with a trigger-happy cavalry lieutenant who was also determined to rescue the girls, even at the risk of causing a major uprising among the Utes.
