THE OTHER WORLDS: where the realms of science-fiction and fantasy collide...

Connor is playing an online computer game, The Quest of Narrigh, when without warning he finds himself in another world. He played the game well on his brother's laptop. He defeated his enemies with his acts of defiance and bravery. Narrigh is now a reality. It is a world governed by magic, filled with hostile races, warring factions and ferocious beasts.

In Narrigh, Connor is no ordinary boy. He discovers he possesses extraordinary powers, which he must learn to master if he wants to survive. But first, he must find his courage...

The scientist, Skelos Dorm, has been exiled to Narrigh from his home planet, Odisiris, for carrying out unlawful experiments. Forced to work for the Narrigh government, he holds in his possession a great artefact that if wielded could disrupt the balance between Narrigh and Odisiris, and ultimately lead to their destruction.

Skelos and Connor's lives are about to become intertwined...
