Does your faith make a difference in your life?

Does what you hear at church on Sunday affect the rest of your week? Maybe you let your beliefs remain at a surface level, never letting them really change who you are. But when you read and study the words of Jesus, you can't help but grow in your faith.

Always offers you 90 short devotions that help you encounter Jesus's words for yourself. Popular author Melody Carlson unpacks the message that Jesus wanted his followers to understand. Then she shows you how it applies to your life during the highs and lows of school, family life, relationships, and more.

If you want to read the Bible for all it's worth, check out this final book in the Words from the Rock series.

Melody Carlson is the author of more than two hundred books, including True, Life, Just Another Girl, Anything but Normal, and the Diary of a Teenage Girl series. She lives with her husband in Oregon.
