The Great Novels and Short Stories of Somerset Maugham W. Somerset Maugham

This compilation contains three complete novels and eight major short stories from the canon of one of the twentieth century's most enduringly popular fiction writers.

From London to Hong Kong, from Paris to Pago Pago, in Samoa or Malaya or on a Tahitian tropical isle, the men and women in this collection of masterfully crafted tales inhabit exotic, mysterious worlds—and at their own peril invade the dark territory of the human heart.

Somerset Maugham, a noted English novelist, playwright, and author of masterly short stories, spent several months in the Pacific in 1916 and 1917 during an interlude in his service in British intelligence during World War I. Several of his works have been made into movies and plays, including *Razor's Edge*, *Of Human Bondage*, *Cakes and Ale*, *Rain*, and *The Moon and Sixpence*.

Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
