## Grade 6 English Teacher's Edition and CD 2nd Edition 200535

The Teacher's Edition provides easy instructions to teach grammar for understanding and to guide the teaching of writing using the Writing Process. Students plan, draft, revise, proofread, and publish eight different types of writing: compare-contrast essays, newspaper editorials, personal narratives, instructions, historical fiction, limericks, free verse, research reports, and cover letters for submitting work to a publisher. Rubrics are provided to help the teacher evaluate each type of writing. The Teacher's Edition contains reduced student pages and Extra Practice pages (with answers) as well as Keeping Up transparency masters (with answers) to quickly review grammar during the writing chapters. It's a thorough presentation of English instruction with a balance of grammar study and writing practice. Coordinates with English 6 Student Text, English 6 Tests, and English 6 Tests Answer Key.
