The stunning conclusion to the Incarnate trilogy, a fantasy about a girl who is the first new soul born into a society where everyone else has been reborn hundreds of times.

Ana knows that soon life in Heart will be at risk so she escapes with her friends, seeking answers and allies to stop Janan's ascension and keep the other Newsouls safe. But only she knows the true cost of reincarnation and the dangers she'll encounter if she returns to stop Janan once and for all.

Romantic and action-filled, the rich world of *Infinite* is perfect for fans of epic fantasies like *Graceling* by Kristin Cashore and *The Girl of Fire and Thorns* by Rae Carson, and Ana's courage to expose the cracks in society and fight for what is right is ideal for fans of dystopian novels.
