"Roloff has produced an intrepretation of the Revelation of John that can be certain to gain the special interest of theologians because of his . . . emphasis on the Christological starting-point of Revelation and the perspective that this discloses for the Christian community." -- Hans-Friedrich Weiss "In this commentary, one catches the Revelator's vision of eternity ablaze with promise and expectation of accountability in the bleakness of the present. May this book find many who are willing to dialog with the Revelator." -- Frederick Danker
