Imprisoned in the void of a ruined universe by vengeful gods, Tharizdun—the Chained God, the Elder Elemental Eye—shares his exile with the Progenitor, a pool of liquid crystal that is all that remains of the Abyss that destroyed his universe.

Enter our heroes Albanon, Shara and Uldane—all three adventurers readers will know from *The Mark of Nerath*. They thought their quests were over and done with, but danger still burns like the embers of a smoldering fire in the tall grass. The Progenitor was locked safely away, guarded by Albanon's dead master, but early on our heroes realize it was stolen and released in the presence of the green dragon Vestapalk as he fell at Shara's sword.

Now, alerted to the danger of the liquid crystal by a mysterious cleric who claims allegiance to an order that has protected the substance for time immemorial, they must go in search of the dragon's body, to ensure his demise has not been exaggerated. What they discover has consequences that could change the world...
