*A Field Guide to Student Teaching in Music* is a practical guide focused on the link between music education coursework and the field-based aspects of the student teaching experience. It addresses general topics that are common to all music placements, as well as those topics that are of specific interest to the general, choral, and instrumental music classrooms.

This text builds on theoretical materials typically covered in music methods courses, yet it is not specific to any one particular teaching pedagogy, making it flexible enough for use in a variety of music teaching settings. It will guide students through the student teaching process as they make the transition from student to music educator.
