Amor, zombis y otras desgracias (Spanish Edition)

José Luis Trueba Lara

Amor, zombis y otras desgracias (Spanish Edition) José Luis Trueba Lara

Amor, zombis y otras desgracias, es la primera entrega de la saga Zombis, del reconocido autor de novelas para jóvenes José Luis Trueba.

Conoce el fin de los tiempos a través de entradas del diario de Jorge Antonio, de distintos SMS y chats, de un par de perfiles en Facebook, de las entradas del blog de #UV# y de varios videos grabados por Alicia en su habitación, además de la voz de alguien desconocido que narra lo que vive desde el subsuelo.

Esta asquerosa aventura -por aquello de los sesos, babas y miembros mutilados que la inundan- es sobre el fin del mundo a manos de zombis, pero también es sobre la vida de **Jorge Antonio** y de sus amigos **#UV#** y **Alicia** quienes luchan contra cosas igualmente terroríficas: sus padres, sus maestros, las tareas, la popularidad y sus insufribles compañeros de escuela.

Las desgracias comienzan cuando la mamá de Jorge Antonio y su entusiasta padrastro decidencambiarlo de escuela a mitades de tercero de secundaria. Por si esto no fuera una tragedia suficientemente grande, en la nueva escuela descubrirá que su posición en el punto más bajo de la cadena alimenticia no ha mejorado. Pero Jorge Antonio también hará otros descubrimientos mucho más reveladores: la verdadera amistad, que el fin del mundo está cerca y que, posiblemente, está enamorado, aun cuando esto va en contra de la lección número uno de cómo enfrentar una invasión zombi: #Si la plaga ya empezó, no te enamores. El mundo te dolerá menos#. Bienvenido a la pesadilla.
