Scorn Fate and she'll bitch slap you back.

*The Faustin Bros., Book 2*

The damned will be sucking snow cones in hell before Gregor Faustin succumbs to love and marriage. Or so he thinks. Until he ploughs his BMW straight into destiny. Madelena, with her smart mouth and her luscious ass, her old-man wardrobe and pointed questions, affects him like no woman he's ever met. Gregor can't decide if he'd rather throttle her, suck every sweet drop of blood from her body, or lock her in a room and make love to her until they both die of exhaustion. The only answer—stay far, far away.

Maddy begs the man who ran her over to keep her out of the hospital. In answer, he heals her with a kiss that leaves her haunted by erotic, soul-stealing dreams. But she's got too many problems to risk what's left of her heart on any man.

Gregor would like nothing better than to pull his usual disappearing act, but he finds himself entangled with Maddy in a way that goes beyond obsession. By tasting a few precious drops of her blood, he's bound his life to hers. Now both their days are numbered.
