“And then there’s pastor John Baker, the founder of Celebrate Recovery... Big John and I shared something in common. We used to drink too much. And our hearts changed, and then we quit. That is a tried-and-true formula. The problem is government is not good at changing hearts. But people like John Baker have been good about it and successful doing that.” —President George W. Bush on Celebrate Recovery and its founder, John Baker, at the Faith- Based and Community Initiatives Conference, March 3, 2004.
