Daughter: A Novel

Asha Bandele

Daughter: A Novel Asha Bandele

The gifted author of the acclaimed memoir *The Prisoner's Wife* delivers a deeply penetrating work -- an emotionally shattering first novel that explores the perils of silence and illuminates the fragile complexity of the mother-daughter bond.

On a winter night in Brooklyn, Aya Rivers, a vibrant nineteen-year-old black girl, is shot by a white police officer in a case of mistaken identity. Her mother, Miriam, a rigid and guarded woman, rushes to the hospital. As Miriam desperately waits at Aya's bedside, she falls back into memories of her own youth, when her life took a series of tragic turns as she struggled for independence and dealt with the end of her relationship with Aya's father. But as Miriam's recollections of love and regret descend upon her, this woman who has spent nearly every day of her life in an emotional prison finds that her wounds slowly give way to healing and a tentative hopefulness.

With the lyrical economy of poetry, Asha Bandele tells a powerful story that boldly confronts timely and troubling issues. *Daughter* is an unforgettable portrait of one extraordinary woman and her journey -- from secrecy to openness, from the silence of isolation to the beauty of connection.
