## **El agua prometida (Spanish Edition)** Alberto Vázquez-Figueroa

El agua ha sido siempre, para Alberto Vázquez-Figueroa, una obsesión. Las difíciles circunstancias de su infancia y adolescencia le llevaron a padecer desde pequeño la escasez de agua potable, y a identificarse con los millones de seres humanos cuya subsistencia se ve en peligro a causa de la sequía. *El agua prometida* es el apasionante relato de esta obsesión, la historia de una vida rodeada de circunstancias dramáticas en la que el agua salada abunda por doquier, pero donde el agua potable es un bien escasísimo. Alberto Vázquez-Figueroa cuenta su vida, y la increíble ocurrencia que le condujo a encontrar un método que permite obtener cantidades ingentes de agua desalinizada a precios razonables, y solucionar de este modo el principal problema de la España seca. Este libro es, pues, la historia de una aventura, pero de una aventura que ocurre en la vida real, y trata del esfuerzo de un hombre por ofrecer una respuesta a uno de los más graves problemas de nuestro tiempo.
