Financial Instruments: Equities, Debt, Derivatives, and Alternative Investments David M. Weiss
A comprehensive, current survey of investment products and instruments

Thorough, accessible, and up to date, *Financial Instruments* is a guide to all of the financial products currently being traded in the world's markets. Through plain language and in a user-friendly format, David M. Weiss, author of *After the Trade Is Made*, outlines the many tools available and their unique functions, features, and structures.

Weiss breaks financial instruments into four broad groups: equities, debt, derivatives, and mutual funds. Under each heading, he explores the many types of related products, including exotic investments such as:

- ? American Depositary Receipts
- ? Asset-Backed Securities
- ? Structured Debt
- ? Futures
- ? Swaps
- ? Unit Investment Trusts

Financial Instruments is an indispensable tool for finance professionals-portfolio managers, brokers, financial planners, and institutional investors. It's also a definitive resource for sophisticated individual investors.
