## **For a New West: Essays, 1919-1958** Karl Polanyi

At a recent meeting of the World Economic Forum in Davos, it was reported that a ghost was haunting the deliberations of the assembled global elite - that of the renowned social scientist and economic historian, Karl Polanyi.

In his classic work, *The Great Transformation*, Polanyi documented the impact of the rise of market society on western civilization and captured better than anyone else the destructive effects of the economic, political and social crisis of the 1930s. Today, in the throes of another Great Recession, Polanyi's work has gained a new significance. To understand the profound challenges faced by our democracies today, we need to revisit history and revisit his work.

In this new collection of unpublished texts - lectures, draft essays and reports written between 1919 and 1958 - Polanyi examines the collapse of the liberal economic order and the demise of democracies in the inter-war years. He takes up again the fundamental question that preoccupied him throughout his work - the place of the economy in society - and aims to show how we might return to an economy anchored in society and its cultural, religious and political institutions.

For anyone concerned about the danger to democracy and social life posed by the unleashing of capital from regulatory control and the dominance of the neoliberal ideologies of market fundamentalism, this important new volume by one of the great thinkers of the twentieth century is a must-read.

Therefore , not at all of book are generally make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading this.

#### Catherine Hudson:

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library or make summary for some e-book, they are complained. Just little students that has reading's heart and soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this For a New West: Essays, 1919-1958 can make you feel more interested to read.
