Second Chronicles of Oz: 1913-1920

L. Frank Baum

Second Chronicles of Oz: 1913-1920 L. Frank Baum

Lyman Frank Baum penned fourteen novels in his famous Oz chronology. These can be divided into two distinct sections: the Second Chronicles of Oz, whose publication spanned the years 1913 through 1920, reconnected the Royal Historian of Oz to that lost land by means of “wireless telegraphy.” Within this single volume those eight novels and a half dozen short stories are presented in sequence, formatted not only for ease of reading, but to emulate the textual structure of that original publication.
