Maya saw her first demon when she was seven. She learned to hide what she saw, ignore the paranormal beings around her and build an ordinary life. But she had to tell her secrets somehow, so she began drawing, creating her own world, her own characters.

Twenty years after that first demon entered her life, her normal existence is shattered when she's faced with two of her comic book characters come to life. Living in our world for years, each has his own agenda.

Benjamin Black, sexy thief with a cause, wants to get back to his own world. The world Maya thought she created. Only now he says she's his reason to stay in this one.

Adam Richards, once a cop, now a ruthless crime lord, wants to be immortal and he'll do anything, including hurting Maya's loved ones, to get what he wants.

The problem is, the men are inextricably linked through Maya's drawings. Ridding the world of Adam means Benjamin disappears from Maya's life forever...
