The Crusades Nikolas Jaspert

This German-to-English translation of a highly successful book is a clear, approachable, student-friendly introduction to the history of the Crusades.

With a long chronological span, from the eleventh to the late fifteenth century, and with a wide geographical coverage of the whole of Europe and some of the Middle East, *The Crusades* is clear, concise and more wide-ranging than most single-volume works.

Taking recent scholarship into account, and using boxes, case studies, marginal directions and chronologies, the book is well laid out and easy to follow, providing a comprehensive overview of the crusade movement for students at all university levels.
