## **Anime nude (Italian Edition)** Marco Milone

L'eterna lotta fra il Bene e il Male e il ricongiungimento a quell'atavica purezza insita nell'anima (o meglio nell'essenza del puro spirito) rappresentano i tratti salienti delle poesie di Marco Milone raccolte in questa silloge. "Anime nude" ben sintetizza l'autenticità dell'individuo spogliato da ogni maschera e artificio "adattativo" ad uso e consumo della dimensione quotidiana, che affronta a viso aperto quel bisogno insopprimibile di fendere l'ombra e di lasciarsi avvolgere dalla luce dell'Assoluto.

Un cammino impervio e a tratti tormentato, ben delineato da metafore attinte soprattutto ai fenomeni della natura e al loro carattere mutevole, dove dolcezza e irruenza, lacrime e aneliti di speranza, passione carnale e sublimazione si avvicendano spesso in rapida sequenza. L'autore, quasi un moderno Caravaggio della poesia, si fa portavoce di questa eterna ricerca dell'uomo, esplorandone anche gli aspetti meno lievi che dimorano nel nostro subconscio, ma che è giusto riconoscere e accettare per poterli trasformare in una rinnovata consapevolezza.
