Brand Mascots: And Other Marketing Animals

Brand Mascots: And Other Marketing Animals

Tony the Tiger. The Pillsbury Doughboy. The Michelin Man. The Playboy bunny. The list of brand mascots, spokes-characters, totems and logos goes on and on and on.

Mascots are one of the most widespread modes of marketing communication and one of the longest established. Yet, despite their ubiquity and utility, brand mascots seem to be held in comparatively low esteem by the corporate cognoscenti. This collection, the first of its kind, raises brand mascots' standing, both in an academic sense and from a managerial perspective.

Featuring case studies and empirical analyses from around the world – here Hello Kitty, there Aleksandr Orlov, beyond that Angry Birds – the book presents the latest thinking on beast-based brands, broadly defined. Entirely qualitative in content, it represents a readable, reliable resource for marketing academics, marketing managers, marketing students and the consumer research community. It should also prove of interest to scholars in adjacent fields, such as cultural studies, media studies, organisation studies, anthropology, sociology, ethology and zoology.

From reader reviews:

Ashley Mansfield:

Book is actually written, printed, or outlined for everything. You can know everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Close to that you can your reading talent was fluently. A e-book Brand Mascots: And Other Marketing Animals will make you to always be smarter. You can feel considerably more confidence if you can know about almost everything. But some of you think which open or reading the book make you bored. It is far from make you fun. Why they can be thought like that? Have you looking for best book or suited book with you?

Ethan Scott:

In this 21st century, people become competitive in every single way. By being competitive at this point, people have do something to make them survives, being in the middle of the actual crowded place and notice through surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. Yeah, by reading a guide your ability to survive raise then having chance to endure than other is high. For you personally who want to start reading a new book, we give you this Brand Mascots: And Other Marketing Animals book as starter and daily reading e-book. Why, because this book is greater than just a book.

Bobby House:

Exactly why? Because this Brand Mascots: And Other Marketing Animals is an unordinary book that the inside of the e-book waiting for you to snap the item but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who also write the book in such remarkable way makes the content interior easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This book will give you a lot of gains than the other book include such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I were being you I will go to the book store hurriedly.

Daniel Rogers:

Can you one of the book lovers? If so, do you ever feeling doubt when you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't judge book by its cover may doesn't work the following is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer is usually Brand Mascots: And Other Marketing Animals why because the excellent cover that make you consider with regards to the content will not disappoint anyone. The inside or content is fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.
