'You will start to become increasingly aware of the miracles all around you and the events in your life will begin to unfold in what seem like magical and mysterious ways.'

—Jack Canfield

As *Jack Canfield's Key to Living the Law of Attraction* explains, gratitude and acknowledgment are essential components in creating and attracting what you want in your life. Through the expression of gratitude on a daily basis, you align yourself to receive all the good the universe has to offer.

By simply focusing your thoughts and attention on the abundance that is already present in your life, you will literally shift your energy to a positive vibration that will automatically and effortlessly attract even more to be grateful for.

Gratitude: A Daily Journal is a year-long, two-part journal that provides a simple framework for your personal expressions of gratitude and acknowledgment. This journal is a powerful tool that will help to raise your consciousness and increase your awareness of the beauty and synchronicity that surround you each day. With each daily expression of gratitude, you will create a vibrational match for love, joy, and abundance.
