**Looking for Juliette (Investigators of the Unknown Book 2)** Janet Taylor Lisle

**Poco is horrified when Angela's cat disappears while under her watch. Is magic involved?**

Together, Angela, Poco, and Georgina have investigated some peculiar happenings. They are just on the verge of a major magical breakthrough when Angela's father moves to Mexico, taking Angela and breaking up the trio of friends. As consolation, Angela gives Poco her cat, Juliette, to care for and talk to while she's gone. Talking to animals is Poco's special skill, but no words can stop Juliette from running into the street in front of a car. Though she survives the accident, Juliette vanishes, and it will take a miracle to find her.

With the help of Walter Kew, a secretive boy in her class, and his Ouija board, Poco scans the neighborhood. When all mystical signs point to Miss Bone, the strange old spinster who's been taking care of Angela's house, Poco is quick to face her fears. She'll do anything for Angela—and for Juliette.

This ebook features a personal history by Janet Taylor Lisle including rare images and never-before-seen documents from the author's own collection.
