Ricerche semiotiche 1 (Teoria della Cultura) (Italian Edition)

Francesco Marsciani

Ricerche semiotiche 1 (Teoria della Cultura) (Italian Edition) Francesco Marsciani

A ventidue anni di distanza l'autore pubblica, riformulata, la prima parte della sua Tesi di Dottorato (Ricerche intorno alla razionalità semiotica, Università di Bologna) nella quale aveva proposto una lettura della semiotica strutturale e generativa di A.J. Greimas in una chiave fortemente condizionata dalle discussioni che si accompagnavano, soprattutto nella Francia del secondo dopoguerra, allo sviluppo dell'episteme strutturale, da un lato, e alla diffusione delle maggiori opere di E. Husserl, dall'altro. La semiotica generativa appare come una sintesi di straordinaria profondità sulla strada della costruzione di una forma di razionalità "a vocazione scientifica" come risposta all'esigenza di una adeguata descrizione dei fenomeni nelle scienze umane. Al cuore delle I discussioni emerge la paradossalità e al contempo la ricchezza della nozione di senso, vera dimensione sulla quale impostare una riflessione teorica e di metodo e, soprattutto, sulla quale provarsi a praticare un progetto scientifico innovativo: la messa a fuoco delle condizioni immanenti della significazione.
