**The Secret Agent: (A Modern Library E-Book) (Modern Library 100 Best Novels) Joseph Conrad  
Selected by the Modern Library as one of the 100 best novels of all time**

*The Secret Agent* is the unsurpassed ancestor of a long series of twentieth-century novels and films which explore the confused motives that lie at the heart of political terrorism. In its use of powerful psychological insight to intensify narrative suspense, it set the terms by which subsequent works in its genre were created. Conrad was the first novelist to discover the strange in-between territory of the political exile, and his genius was such that we still have no truer map of that region's moral terrain than his story of a terrorist plot and its tragic consequences for the guilty and innocent alike.
