## **Un hispanismo para el siglo XXI: Ensayos de crítica cultural (Otras Eutopías) (Spanish Edition)**

Rosalía Cornejo Parriego, Alberto Villamandos Ferreira

Sometido a las críticas de aquellos que consideran que no ha producido un caudal teórico propio, inmerso en el retroceso que sufren las humanidades en general dentro del ámbito universitario y sujeto a realidades nacionales cambiantes, el hispanismo se encuentra en una encrucijada. Sin embargo, este libro se propone ofrecer una mirada esperanzada sobre los estudios de la cultura española, por medio de ensayos de reconocidos hispanistas que exploran un rico y dinámico conjunto de materiales y perspectivas. Desde el cine del desarrollismo a la novela más actual sobre la Guerra Civil, de la poesía ecuatoguineana al discurso del turismo bajo el franquismo, los trabajos recogidos en este volumen prestan atención a temas candentes como la reformulación de la memoria histórica, la construcción del género, la influencia de la globalización y el mercado, la inmigración y la crisis de la noción de identidad nacional.
