Afterwards: A Novel Rachel Seiffert

When Alice and Joseph meet, they fall quickly into a tentative but sincere relationship. She is a nurse, he a house painter, and while both are still young and hopeful about this new love, each of them carries an emotional burden. Alice's father has been a yawning absence all her life, and just recently her beloved grandmother—who helped to raise her—passed away. For his part, Joseph refuses to speak about his experiences as a soldier in Northern Ireland, and Alice suspects that his general reticence hides an even more deeply troubled past. In this powerful story of guilt and privacy, Seiffert asks: To love someone, must you know everything about them?

From the Trade Paperback edition.
