Pronto soccorso cinematografico (Italian Edition) Manlio Castagna

Ogni mal d'amore ha la sua cura, ogni ammaccatura del cuore può essere sistemata da un buon film che ti indica la strada più efficace per guarire. Dove falliscono le parole consolatorie dei parenti, i consigli pieni di buone intenzioni degli amici e il rimuginare della mente, c'è il trionfo del cinema. Grazie ai rimedi cinematografici proposti con taglio ironico, ma con sguardo scientifico e competente, da Manlio Castagna – sceneggiatore, regista e studioso di semiologia degli audiovisivi – scoprirai la potenza dei film per guarire da tutte le pene a cui l'amore a volte ti condanna. Dalla difficoltà di lasciare all'essere abbandonati, dalla ferita inferta da una scappatella del tuo partner alla paura di lasciarsi andare a una nuova relazione, dalle difficoltà dovute alla propria timidezza ai disagi per la storia con una persona molto più giovane, come in un prontuario medico, per ogni emergenza sentimentale troverai la giusta cura a base di cinema con tanto di posologia, avvertenze e indicazione del principio attivo. Lenire, leccarsi una ferita, imparare a difendersi meglio da un dolore, in questo sì, un film può aiutarci. Perché accada è necessario che lo spettatore accetti la sfida di un coinvolgimento che lo metta in pericolo. - Sergio Castellitto Sono molti i film che proponi motivando l'indicazione con una competenza e una sensibilità che ti fanno davvero onore. Sono felice di augurarmi che siano in tanti coloro che ricorreranno alle tue indicazioni che, tra l'altro, prescrivono solo bellissimi film. - Pupi Avati
