**RSPB Handbook of British Birds** Tim Cleeves, Peter Holden

*RSPB Handbook of British Birds* – the bestselling guide of its kind, covering a total of 272 British species – just got even better.

This enhanced epub version of the fourth edition of the book – featuring songs and calls – is set to change birding, forever.

Optimised for tablets, it features the *Handbook* in crisp, clear high-resolution. Its pages contain 1,200 colour illustrations, plus seven comparison spreads, with comprehensive text on identification, habitats, food, breeding and conservation, and accurate range maps. In addition, the epub edition features songs, calls and other sounds from each species, making this the ultimate one-stop resources for anyone interested in identifying and learning more about the birds they see.

This collection of images and sounds represents a step change in the way birdwatchers operate. No more carrying heavy books into the field; no more trying to remember sounds days later, while all other methods for taking sounds into the field are consigned to the dustbin.

The *RSPB Handbook of British Birds* e-book provides a complete field-based ID solution – no birdwatcher will want to be without it.

*(Note: Audio may not play on all devices. Please check your user manual for details).*
