The Good Fail: Entrepreneurial Lessons from the Rise and Fall of Microworkz Richard Keith Latman
An inside look at how companies and executives rise and fall, with important lessons for all aspiring entrepreneurs

The Good Fail is part business story, part guilty pleasure, exploring Richard Keith Latman's very public missteps and the painful lessons he learned as a result, presented to fellow entrepreneurs, in his own words, for the first time. Written in a lively, conversational style, the book answers questions many computer industry veterans have been asking for more than a decade about what went wrong at Microworkz, the failed former free PC enterprise.

Chronicling Latman's long roller-coaster journey back and offering pointed advice about effective business development, negotiating, human resource management, and leadership, which Latman has successfully applied at his latest ventures, iMagicLab and Latman Interactive, the book is an important set of insights for entrepreneurs everywhere.

- Offers 19 practical lessons learned, which can help put other entrepreneurs on the path to success faster
- Includes invaluable insight into how to overcome even the worst public business failures
- Provides a behind-the-scenes look from the ultimate insider at an important time in computer industry history
- Presents a case study of how personal and business lives can negatively impact each other

Microworkz's failure can be your success. *The Good Fail* provides both important insights into how to start a business that will reap rewards, and warnings about how to avoid going astray.

From reader reviews:

Sandra Mendoza:

Book is definitely written, printed, or descriptive for everything. You can know everything you want by a reserve. Book has a different type. We all know that that book is important thing to bring us around the world. Beside that you can your reading ability was fluently. A e-book The Good Fail: Entrepreneurial Lessons from the Rise and Fall of Microworkz will make you to always be smarter. You can feel much more confidence if you can know about every thing. But some of you think this open or reading a new book make you bored. It isn't make you fun. Why they can be thought like that? Have you in search of best book or appropriate book with you?

Richard Graham:

In this 21st millennium, people become competitive in every single way. By being competitive now, people have do something to make these individuals survives, being in the middle of the actual crowded place and notice simply by surrounding. One thing that often many people have underestimated the idea for a while is reading. That's why, by reading a reserve your ability to survive enhance then having chance to stand than other is high. For you who want to start reading the book, we give you this The Good Fail: Entrepreneurial Lessons from the Rise and Fall of Microworkz book as beginner and daily reading e-book. Why, because this book is more than just a book.

Pearlie Wong:

Reading a publication tends to be new life style in this era globalization. With reading you can get a lot of information that can give you benefit in your life. Along with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the storyline that share in the ebooks. But also they write about the data about something that you need instance. How to get the good score toefl, or how to teach your kids, there are many kinds of book that exist now. The authors on earth always try to improve their talent in writing, they also doing some research before they write with their book. One of them is this The Good Fail: Entrepreneurial Lessons from the Rise and Fall of Microworkz.

Kelly Mays:

As a college student exactly feel bored in order to reading. If their teacher expected them to go to the library or to make summary for some book, they are complained. Just small students that has reading's internal or real their pastime. They just do what the educator want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Good Fail: Entrepreneurial Lessons from the Rise and Fall of

Microworkz can make you really feel more interested to read.
