Lilith's Dream: A Tale of the Vampire Life Whitley Strieber

An ancient vampire, beautiful beyond words, a vulnerable young man drawn to her by a power beyond his understanding, two desperate parents searching across the world for the son they love -- these are the riveting, unexpected elements of Whitley Strieber's extraordinary new novel.

Lilith, the ages-old mother of the dying race of vampires, has been forced to come out of her cave deep in the Egyptian desert in search of food -- human blood. But she knows nothing about the modern world. She can't drive a car, rent a room, turn on a TV. She struggles to New York, penniless, vulnerable, and starving, protected only by her beauty and her power to capture men with desire...especially certain very special men. The instant she sees young Ian Ward, she knows that he is part vampire himself. She knows that Ian, if he ever tastes human blood, will belong to her forever. And she needs him desperately, to help her survive and live in this harsh new world of jets and credit cards and guns. She sets out on a campaign of seduction -- as sensuous as it is terrifying -- to touch human blood to Ian's lips, which will then become for him a drug a thousand times more addictive than heroin.

Ian's father, Paul Ward, part vampire turned expert and obsessive hunter of vampires, knows that if the blood transforms Ian, Paul will have to kill his own son. The titanic conflict between father and son and seductress, hunter and hunted and huntress, comes to its surprise conclusion in the secret chambers beneath the great pyramids, where the hidden truths of all human history are stored.

From its beginning in the dark back alleys of Cairo to its totally unexpected ending, *Lilith's Dream* draws the reader down seductive new paths of discovery, into places where no novel has ever before. With *Lilith's Dream* Whitley Strieber has created a vampire so original and a story so new that he has virtually invented a new genre.
